

Natures' Time to Plant

Wednesday 15 March 2017

The Marquee, Brisbane Showgrounds

Welcome to Autumn Trade Expo - a showcase of South East Queensland's premier horticultural traders. Combining the successes of Green Expo & Brisbane Trade Days, NGIQ presents a Trade Expo to unveil the latest industry product and service releases for the season.

Autumn Trade Expo is an opportunity to meet and trade with quality greenlife and allied trade and service providers in one location, on one Autumn day: Wednesday 15 March 2017.

We invite standholders to create impact with the presentation of all displays and to maximise exposure with clear business name branding. Stands will be pre-allocated and vehicles will NOT park inside the Marquee to enhance the expo environment.

Prior to trading, the Expo provides an opportunity for promotion and networking with industry contacts. 50 exhibitors are anticipated at Autumn Trade Expo, including production & retail nurseries, allied trade & service providers, landscape suppliers & architects, florists, hardware stores, local council representatives, training & education providers. Attendees come from Brisbane, Gold Coast, Sunshine Coast, regional Queensland areas and northern New South Wales.
